

PRAGYA SHRESTHA

HR & Operations Manager | Strategic HR | Talent Acquisition | Technical Recruitment | HR Tech & AI

Lalitpur, Nepal | pragyashr9@gmail.com | [linkedin.com/in/shrpragya](https://www.linkedin.com/in/shrpragya) | pragya-shrestha.com.np

PROFESSIONAL SUMMARY

HR professional with 8+ years of experience who has built high-performing teams, shaped people culture, and driven operational excellence across tech and non-tech organizations. Has partnered directly with leadership to shape people and business strategy, taken HRIS platforms from concept to company-wide rollout, and closed full-cycle technical recruitment for growing teams. Has applied Claude to modernize HR workflows — building a personal brand website, automating stand-up reporting, and overhauling the CV screening process.

CORE EXPERTISE

- Strategic HR: HR Project Management, HR Strategy & Policy Design, HR Metrics, HRIS Product Ownership
- Talent Acquisition: Full-cycle Recruitment, Headhunting, Technical Recruitment, LinkedIn Recruiter, Workforce Forecasting
- HR Consulting: Policy Development, Compensation & Benefits Design, HR Frameworks, Onboarding/Offboarding
- People & Tech Ops: Resource Planning for Engineering Teams, Stand-up Facilitation, Team Alignment
- HR Tech & AI: AI & Data-Driven Decision-Making for HR, HR Analytics, HRMS Setup, Digital Transformation
- Culture & Engagement: Employee Engagement, Emotional Intelligence, Change Management, Design Thinking

WORK EXPERIENCE

HR & Operations Manager | *PortPro*

Feb 2024 – Present

- Established a direct partnership with the Leadership team, co-creating people and business strategy that shapes company direction
- Built operational frameworks — continuous feedback loops, growth programs, and team rituals — that created a more engaging, learning-based work environment
- Delivered reliable resource planning and capacity management for technical engineering teams, keeping delivery on track
- Kept engineering teams aligned and unblocked by facilitating daily stand-ups and cross-functional syncs
- Shaped talent strategy, people operations, and organizational design across the company
- Built and launched a personal portfolio website (pragya-shrestha.com.np) using Claude, translating career experience into a polished professional brand presence
- Eliminated manual reporting effort by automating daily engineering stand-up sheets with Claude, giving the tech team a faster, more consistent update cadence
- Modernized the CV/resume screening process using Claude, enabling faster and more consistent candidate evaluation and feedback
- Built an HR helpdesk bot powered by Claude to answer employee questions on leave, policies, and other HR queries, reducing repetitive back-and-forth for the HR team

Sr. People Ops Officer & Talent Acquisition Executive | *Outside*

Jul 2021 – Sep 2023

- Took an internal HRIS platform from concept to reality as Product Owner, leading its design and development from scratch
- Closed end-to-end recruitment cycles — forecasting, sourcing, screening, and onboarding — to keep the organization staffed for growth
- Streamlined onboarding, offboarding, and internship programs, improving consistency and the new-hire experience
- Rolled out a company-wide continuous feedback system and delivered regular reports that gave leadership visibility into engagement
- Strengthened employee relations and benefits administration while driving engagement initiatives across the company
- Represented the organization at professional forums and led company events that boosted team culture

HR and Finance Officer | *BitsBeat IT Solution Pvt. Ltd.*

Oct 2018 – Feb 2021

- Maintained accurate, compliant employee records, contracts, timecards, and HRIS data across the organization
- Ran orientations and exit processes end-to-end and produced job descriptions and offer letters that supported hiring
- Uncovered organizational gaps through employee surveys and research, then built and executed action plans to close them
- Administered employee benefits, claims, and adjustments accurately and on schedule
- Kept payroll, income tracking, and expenditure compliance on target through financial accounting support

Operation Assistant | *Rebala Remote Services Pvt. Ltd.*

Nov 2013 – Feb 2016

- Resolved employee questions and contract issues as the key link between management and staff
- Identified personnel problems through data and reporting analysis and recommended improvements that were acted on
- Maintained operational excellence and customer service standards by supervising the operations team
- Partnered with the General Manager on operational issues and promotional activities that supported business goals

Intern | *Nepal Bank Limited*

May 2012 – Jul 2012

- Contributed to accurate month-end financial reporting by preparing and posting journal entries
- Supported the payment processing team with data entry, credit checks, and remittance, gaining hands-on exposure to banking operations

Telemarketer | *Aptech Computer Education*

Jul 2009 – Mar 2010

- Converted calls into course enrollments by engaging potential students and participants
- Maintained accurate, up-to-date contact records to support ongoing outreach
